Dear Publisher:

We are enclosing royalty payment for the microfilm collection sales of your publication(s). The attached statement summarizes the calculations for the third quarter of 1987, covering the months of August, September and October.

IAC is looking forward to 1988. We will be introducing our new product, entitled ACADEMIC INDEX^{tm}. The ACADEMIC INDEX^{tm} is the first CD-ROM periodical index database tailored to the expressed needs of academic libraries. This new reference product offers a single source for the broadest coverage of journals and other periodicals heavily used for undergraduate research. More than 375 periodicals are included in the ACADEMIC INDEX^{tm}, covering education, history, arts, sociology, psychology, literature, political science, religion, anthropology, geography and computers in addition to Asian, Middle Eastern, Eastern European, African and Latin American studies.

All of us at IAC would like to take this opportunity to wish you a Merry Christmas and a prosperous New Year.

Sincerely,
